

ATLAS INDUSTRIES

photograph: John Halpern

AT11

The AT 11 performs beautifully as a dining table, but the detailing would scale well to any size, allowing for applications such as conference tables for the office and coffee tables for the home.

DIMENSIONS

96" L x 36" W x 29.5" H
(custom sizes & finishes available)

MATERIALS

Shown in solid walnut & blackened cold-rolled steel with bronze accents
Wood available in walnut, white oak, maple, cherry, opaque lacquer or oil finish
Metal available in blackened steel or bronze
